Deputy Commissioner's Office

Camp Sorab, Dated 29th January 1887

Desp. 2 Feb 1887.

To. The Chief Secretary
to the Dewan of
Mysore.

Sir,

In submitting herewith the proceedings of an extraordinary meeting of the Municipal Board of Shimoga town dated 30th December 1886, I have the honor to invite the special attention of Government to para 9 of the Proceedings.

2. I have given all the correspondence connected with the Kumbargundi project to

the

the Executive Engineer Shimoga Division with a view to the Municipality being advised as to the best course to be adopted for closing the Kumbargundi or otherwise mitigating the evils resulting from its presence in the middle of the town. But as opined by the Board the execution of this project as also the devising of a scheme for the drainage of the town would require a larger and more skilled agency than what the Municipality has at present at its disposal.

3. I would therefore strongly support the resolution of the Municipality to apply to

Govt

Government for the question being entrusted to a special agency for being dealt with comprehensively

4. The funds at the credit of the municipality viz. Rs. 10,000 may not possibly be sufficient for the schemes being carried out, but in a matter of such vital importance to the health of the town only second to Mysore in population and size, it may not perhaps be deemed an unjustifiable diversion of funds if a small allotment is made from the Local Funds assets.

5. I beg further to request that the proceedings of the

Municipal

Municipal Board hereunto submitted may be caused to be published in the Mysore Gazette and 20 Copies of the printed proceedings kindly furnished to the Board for the use of the members.

I have the honor to be
Sir,

Your most obedient Servant
